*Where Who I Am and What I Do Make a Difference*

March 13, 2020

Dear LWJES Families,

The Clark County School District (CCSD) continues evaluating and responding to the evolving nature of coronavirus (COVID-19) with a coalition of partners, including the Office of the Governor, Clark County Government, the Southern Nevada Health District, and other agencies, on a cohesive community response to protect the health and well-being of our students and staff. It is important to remember that, at this time, most Nevada residents are at low risk of contracting coronavirus. For the moment, there are no planned school closures.

## ***What does this mean for school events/programs and extra-curricular activities at Louis Wiener, Jr. Elementary School?***

The following activities and programs are suspended effective immediately and until further notice:

- Parents/Families Volunteering In School
- Friday Morning Family JAWS
- Grades 4 & 5 Choir
- SOT Meetings
- PTA Meetings
- PTA Events, Including Dinner Nights Out
- School Picture Day
- Book Fair
- Field Day
- Talent Show
- Year-End Student Recognition and Promotion Programs

## **Morning Arrival Routine Change Effective Monday, March 16, 2020**

Effective Monday, March 16, 2020, and until further notice, families are to drop off students at the gates to the campus or at the doors to the school. At that point, students will proceed independently to either breakfast or the playground for morning recess; families are not to accompany students onto the campus or into the building. At the 8:55 a.m. bell, students will line up and then proceed directly indoors. There will not be a morning ceremony outdoors at 8:57 a.m. Instead, students will participate in the Pledge of Allegiance, moment of silence, and announcements in their classrooms.

*Where Who I Am and What I Do Make a Difference*

This list is not to be considered exhaustive and other programs and events may be modified or suspended as well based on direction from CCSD. Should guidance from CCSD change, we will reevaluate the current status of planning and operational capacity to reinstate extra-curricular activities and school programs that have been modified or suspended.

At this time, Safekey will continue operating to support students and families.

We appreciate your understanding and support, and we will continue to provide updated information as it becomes available.

Thank you,

Michael V. Blume  
Principal
