

# The Wiener Wave

Wednesday, April 29, 2020

5:00 p.m. to 5:45 p.m.

The faculty of Louis Wiener, Jr. Elementary School looks forward to waving and smiling at a distance together with you! Please drive around the school during this opportunity to share your waves and smiles, too. Stay in your vehicle and keep moving clockwise around the school very carefully. Faculty will be parked along Mardon Avenue, Battista Lane, and Eldorado Lane in their vehicles waving and smiling.

***If you are not able to make it, check our Twitter for some photos. We send our best wave and biggest smile your way!***
