

## **School Organizational Team Parent or Legal Guardian Nomination Form**

As part of the reorganization of the Clark County School District, each school will form a School Organizational Team. The Team's members will include the school principal, staff members, and parents/guardians. At the secondary level, the Team will include a student representative. Teams will also be encouraged to invite one or more interested community members to advise the Team.

Up to three (3) parents or guardians will be elected to participate as members of the School Organizational Team, and should represent 50% of voting members of the Team. Note that members of the School Organizational Team are not employees of the Clark County School District nor are they employees of the school. *We are in need of three (3) representatives at this time.*
