

# Louis Wiener, Jr. Elementary School

*Where Who I Am and What I Do Make a Difference*

## PK/Kindergarten/Grade 1/Grade 2/Grade 3 Hybrid Education Model FAQs

All information is subject to change based on CCSD guidance and expectations.

### **1. Will my child's class/teacher change?**

Based on responses to the survey, class placements and teacher placements may change. All placements will be looked at and made to best fit the needs of the preference chosen by the parent. Survey responses will help indicate how many teachers will be needed to teach Cohort A/B and Cohort C.

### **2. Will students be provided lunch?**

Lunch will still be provided but students will not eat lunch in the lunchroom. Students will eat lunch in the classroom with supervision by their classroom teacher or another staff member.

### **3. Will students play on the playground?**

Students will have an organized brain break time but the playground equipment will be closed. Specific small areas will be designated for each class and will be the only available location for the group.

### **4. Will masks be required?**

To return to school, masks will be required at all times. Masks are required at all times while on campus, including outdoor areas.

### **5. If I chose hybrid (Cohort A/B), will I get to choose the days that I want my child to attend?**

We will do our best to provide you the cohort you requested but there will be no guarantees.

### **6. If I chose full distance learning (Cohort C) how much will my schedule change?**

At this time, we are unsure of how all schedules will work. Schedules will be created and shared once we have the survey results and are able to complete planning.

### **7. If I chose one option now, can I change that later in the year?**

At this time, no.

### **8. What is the timeline for this?**

At this time, the hybrid educational model is scheduled to begin on Monday, March 3, 2021, for students in Pre-K through Grade 3. The survey results are the first step in creating schedules and getting prepared to return to school.

### **9. Is the survey required?**

Yes, if the survey is not completed the student will remain on Cohort C (distance learning).

### **10. What happens if a person associated with my child's room is diagnosed with COVID-19?**

Notification will be sent out by administration in conjunction with the District and students will switch back to distance learning and quarantine. More information will be forthcoming on this process.

*Additional information and details will be forthcoming as we receive more guidance from CCSD. At this time, we appreciate you completing the survey to give LWJES the information we need to begin to plan for our Pre-K through Grade 3 hybrid education model.*

*Louis Wiener, Jr. Elementary School provides a meaningful and motivating environment that encourages the success of all students.*
