

LWJES Reassessment Request

Student Name	
Parent/Guardian Name	
Current Date	

Complete this form and submit it to the teacher as soon as possible for a request for reassessment for a grade of C or lower. Upon receipt, the teacher will review the request. The teacher may provide an additional assessment for the student to complete, review evidence of current achievement using current assessments, or create a plan for a review of evidence in the future.

What standard/assessment would you like considered for reassessment? Provide as much information as possible. Attach a copy of the assessment if you have it.

What has the student done since the last assessment to learn and improve? Include as much detail as possible.

What is the student's current level of achievement? Share your reflection.
