Where Who I Am and What I Do Make a Difference

Dear Families,

Louis Wiener, Jr. Elementary School is pleased to announce an opportunity for preschool children within our community, who will be ages four and five (not be enrolled in Kindergarten) on or before the first day of school. This unique experience will provide age-appropriate preschool instruction for the children, while being included in a learning environment with students, ages three, four and five. This opportunity will enable your child to receive valuable, age-appropriate instruction, as well as, provide the students with disabilities, age-appropriate role models.

We are looking for children who have age-appropriate language and behavior skills. The children must be toilet-trained and must have demonstrated that they are able to be away from home for a day without duress. Parents will be required to transport their child to and from school and must ensure that consistent attendance occurs with the exception of illness.

Depending on the program, students may attend Monday through Friday in a full-day program or Monday-Thursday in a half-day program. The teacher will be instructing the students and will be assisted by one instructional assistant. Enrollment is limited in an effort to maintain an appropriate class size. We may be holding trial sessions for interested families in May depending on school status. Once we conduct trials and determine if your child is a good fit for the program, students will be selected through a "lottery" system. If your child is selected, registration information is required and updated immunization records and a copy of the birth certificate must be provided. If you are interested in your child participating in this learning experience, please complete the bottom portion of this letter and the Pre-K Skills Checklist and return it to school no later than May 6, 2022, by bringing it to the front office when the building is open. We may be contacting you via phone to set up a date and time for a trial session. Please be sure you include a working phone number.

Thank you in advance for your interest.

Sincerely,

Michael V. Blume
Principal
