We encourage all students to bring a blanket or towel to sit on when they are on the grass areas. Families are welcome to bring food for students to the picnic. Students will also have access to school lunch. Families with students in different classes can choose to eat together in one spot by a class.

We request that there is no play on the field during this picnic. Students will have recess at a different time and the picnic time is designated for eating.

We look forward to seeing you at the picnic!

Louis Wiener, Jr. Elementary School provides a meaningful and motivating environment that encourages the success of all students.
